## Northern Vermont University International Student Financial Statement (ISFS) Instructions

Read the following instructions carefully before completing and submitting this form.

**Part 1** Read and answer all questions completely. Incomplete forms will delay receipt of your I-20.

**Part 2** In the first column, select the source(s) of your funding. In the columns headed Year 1, 2, 3, and 4, indicate the amount (in US dollars) from the selected source available for each year of study.

Each sponsor must verify these amounts by signing the form.

Be sure to include supplementary documents as indicated, and attach originals, not photocopies or faxes.

The originals will be returned to you with your I-20 so that you can apply for your visa. I-20s will not be issued if your admissions application fee or admissions acceptance fee have not been paid.

All documentation must be **dated within nine months** of the date of initial enrollment at Northern Vermont University.

The admissions office has provided you with an estimate of annual educational and living expenses for international students for an academic year. You must document financial support equal to or greater than this amount.

This estimate is subject to change without notice and will usually increase each year. Your signature on this form certifies that you understand that this fee is fixed and non-negotiable.
